COOL BEANS ESPRESSO TOUCH

Espresso Touch

*Instinctive aroma reliability,
is just a touch away.*

From a dark sleek polished style comes the Cool Beans Espresso Touch capturing all those textures in every cup.

Offering state of the art simple to use touch screen drink selections, with up to 28 programmable choices, finding that perfect choice is never an issue. With the combination of the Noir Collection craftsmanship, including the high quality Swiss brew system, pump and grinder, offering that optimum performance and precision every time. Whether it's one cup or creating two cups simultaneously.

With an optional digital TFT screen, create the bigger picture, and combine touch technology and crystal clear TFT display.
